

*Dear Friends and Colleagues,*

We are happy to announce and welcome you to the 2021 ENTOG Exchange, Scientific Meeting, and Council in Greece on 30th of August until the 2nd of September 2021.

COVID-19 pandemic kept us apart last year, and we were really sad; however, postponing the ENTOG meeting was the safest way in order to follow the international instructions and at the same time, to be all protected. Still, the participants will have the opportunity to experience the Exchange in numerous cities such as Athens, Thessaloniki, Patra, Ioannina, Larisa, Alexandroupoli and Herakleion. Our goal is to combine the experience of a thoroughly informative, challenging scientific programme with exploring aspects of the Greek daily lifestyle, such as the local cuisine and culture! We are excited about the days you will be staying with us. In the end, we will all be able to meet each other at the ENTOG Scientific Meeting and Council in Athens.

### Host Country

Greece is a country in southeastern Europe and its landmark is the 5th-century B.C. Acropolis citadel with the Parthenon temple. Greece is also known for its thousands of islands with their beautiful blue waters throughout the Aegean and Ionian sea, as well as for being the gastronomical home to an abundance of delicious dishes made with fresh ingredients.

### Exchange programme

The 'Exchangees' are encouraged to arrive on Sunday evening and stay until Wednesday 1st of September in their host hospital. The accommodation will be mostly provided by hosts in their apartments, yet in some cities, trainees will be placed in hostels or hotels with no additional fee. During the working hours, the 'Exchangees' will be in the hospital with their contact person. After the hospitals hours, the social programme will include sightseeing tours, integration in the city culture and lifestyle, enjoying daily life, etc. – the scope and type of the social programme might vary from city to city.

### **Scientific Meeting & Council**

Everybody, especially the country representatives, is welcome to join the ENTOG Scientific Meeting and ENTOG Council on Thursday the 2nd of September. These meetings will be held in Divani Caravel Hotel in Athens.

After the ENTOG Exchange, all of the 'Exchangees' as well as any additional participants of the ENTOG Scientific Meeting and Council will meet on Wednesday evening 1st of September during the "Welcome drink" party in Athens. On Thursday 2nd of September evening, after the ENTOG Scientific Meeting, our gala dinner will take place. The preliminary programme of the ENTOG Scientific Meeting is attached and will soon be available on the ENTOG website [www.entog.eu](http://www.entog.eu) and the congress website [www.ebcog-hsog2021.org](http://www.ebcog-hsog2021.org)

### **Registration**

We are happy to host two (2) trainees from each ENTOG member country on the ENTOG Exchange from 30th of August till 1st of September 2021. Their national trainee societies will handle the selection of candidates from each country. For any inquiries, feel free to ask via [info@entog.eu](mailto:info@entog.eu) or [entogexchange2021@gmail.com](mailto:entogexchange2021@gmail.com). The exact timeline for registration in both ENTOG Exchange and Scientific Meeting will be announced soon.

### **Price**

The full programme price: the ENTOG Exchange, the ENTOG Scientific Meeting and Council is 150 €. It includes accommodation during the ENTOG Exchange, the Welcome drink on Wednesday, and the ENTOG Dinner on Thursday (accommodation during the ENTOG Scientific Meeting and Council is not included). The price for the ENTOG Scientific Meeting and Council is 100 €. It includes the Welcome drink on Wednesday, participation in the scientific programme, and the ENTOG dinner on Thursday (accommodation during the ENTOG Scientific Meeting and Council is not included).

The ENTOG EXCHANGE brings together trainees from around Europe to improve standards, promote training and encourage research and exchange of information in obstetrics and gynecology care. We encourage all participants of the ENTOG Exchange to join the full programme.
